About the author

Award winning innovative woodworker Jeremy Broun wrote The First Edition of **The Incredible Router** in 1989 and it soon became a bestseller being dubbed 'The Router Bible'. He produces instructional DVDs on routing under the label of **Thinking Hand Video**.

He has written four woodworking books including The Encyclopedia of Woodworking Techniques which was voted a 'Top Title' by the UK booksellers Association.

He has lectured extensively in the UK and also in Australia and Finland and his awards include a Churchill Travel Scholarship to Sweden, Finland and Italy, Fellowship of the Society of Designer Craftsmen and the 'Vivien Williams' National prize for Craft Journalism for the MCCED Award.
